101 Cunningham Park CT.
Vienna, VA 22180

333 Willow Street #111,
Alameda, CA 94501

Career Objective: To obtain a position that will utilize and enhance my knowledge of the web development, front-end development, and information technology field, along with my knowledge and skills in media arts and design.

Education: James Madison University – Harrisonburg, VA
Bachelor of Arts in Media Arts and Design
Minor: Computer Information Systems
Cumulative GPA: 3.20

Related Coursework:

- Studied the principles and practices for creating effective interactive multimedia and animation as well as creating effective communication for the World Wide Web including interface design and Web delivery issues.
- Studied the principles of web design along with using web languages to develop websites. Languages include: HTML/XHTML, Cascading Style Sheets (CSS), Javascript, PHP, and MySQL database.
- Modeled database with normalization and ERDs as well as using a relational database model and SQL. Developed a database in Oracle and Microsoft Access with given scenarios.
- Learned the basic functions of an OS through the hands-on use of Linux. Acquired hands-on server administration skills. Used the LAMP (Linux, Apache, MySQL, PHP/Perl) environment to learn server-side administration.

Related Experience:

Internship at Sagetopia, LLC.....May - Aug. '08; Dec. '08 - Jan. '09
